

BUILD YOUR FUTURE!

CONSTRUCTION CAREER DAYS

What to Expect

WELCOME & ORIENTATION (30 MIN)

Learn important safety information before you head out to the jobsite and hear from current industry professionals about why they chose a career in construction.

HEAVY EQUIPMENT (1 HOUR)

This is your chance to sit in the seat and operate the equipment you see at construction sites. From cranes to backhoes, scissor lifts to semis, you'll want to make sure you try them all.

HANDS-ON DEMONSTRATIONS (45 MIN)

Time to try your hand at bricklaying, drywall installation, painting and more. This area will provide an up-close look at the MANY types of skills needed for the construction industry.

VENDORS & INFORMATION (30 MIN)

Ready to learn more? Meet with the programs and companies that can help you pursue a career in construction.

Lunch will be scheduled for each session.

October 23-24, 2019

Spokane County Fair and
Expo Center
